Pope Francis' Prayer Intention for February 2023: *We pray that parishes, placing Communion at the center, may increasingly become communities of faith, fraternity, and welcome towards those most in need.*

Prayer of the Week

Dear Lord, in the midst of winter, I seek the light that shines through bare branches and warms me with its glow. Lead us, Lord, *Light of the World*, so that the winter of my soul may be thawed and open to Your love and mercy. Grant me a clear perspective so that I recognize those experiencing a dark time in their lives...those who may benefit from my own light of compassion. Grant me the wisdom to use the gifts that You have given me to serve others. *Through our Lord, Jesus Christ, Your Son, Who lives and reigns with You in the unity of the Holy Spirit, one God forever and ever. Amen.*

Reflection: Do I do my best to bring hope and cheerfulness to those with whom I live, work, or study, by smiling and performing deeds of kindness? *Does my light shine for others?*

The image of light is predominant in today's readings. This week take a few moments to ponder the importance of light in your life.

Next Saturday, February 11, has been designated as **World Day of the Sick**. Most of us know someone who is dealing with sickness. Some are experiencing chronic illness on a day-to-day basis, while others are dealing with short-term illness. Any kind of sickness can interrupt one's routine and livelihood. Let us pause to offer a prayer for the sick, for those we know well and for those we know casually. Let us pray for those sick in body as well as those sick in mind and spirit. When we love others, we share their pain. We pray for them.
