## Prayer of the Week

Almighty and merciful Lord, may Your Word be indelibly printed on our hearts and minds so that we remain true to You. Help us to live good and holy lives as a people drawn to goodness and repelled by evil. May we always look to You to “direct our hearts” as we make our way in a society in great need of Your guidance. In this bustling, noisy world, inspire us to seek the peace and quiet that will enable us to hear Your answers to our prayers. *Through our Lord Jesus Christ, Your Son, Who lives and reigns with You in the unity of the Holy Spirit, one God, forever and ever.*

In today's second reading, St. Paul prays that the Thessalonians may be strengthened “in every good deed and word.” Will each of us be strengthened and empowered to use our time and talents for the good of others?

**November 11: An Important Date in Polish History**

100 years ago, after 123 years of occupation, Poland reclaimed its rightful place as a free and independent member of the community of nations. On November 11, 1918, Polish leaders such as Jozef Pilsudski, Roman Dmowski, Ignacy Jan Paderewski, Wincenty Witos, Wojciech Korfanty, and Ignacy Daszynski, of differing backgrounds and political opinions, united to lead Poland to freedom, just as General Casimir Pulaski did in the war for American independence.

The reconstruction of the Polish state after 123 years of partitions was a historic breakthrough. The effort of many Poles, their commitment and sacrifice during the First World War, along with vigorous diplomatic actions, resulted in the creation of the Second Republic of Poland. The whole process was led by the "Fathers of Independence."

The six men mentioned above were instrumental in paving the paths to freedom. They represented different walks of life, namely artist, diplomat, soldier, politician, and social activist. They held different political opinions, came from different social backgrounds, belonged to different religions, and had been born in different partitions. Despite these differences, they were able to unite in a common, imperative effort: INDEPENDENCE. Although they did not agree on everything, they were fully united and eagerly cooperated with each other. They remained faithful to their own opinions; however, building upon the existing momentum, they led Poland to FREEDOM.

*We pray for the following:*

Mary Abruzzo, Margaret Puorro, Anthony Andree, Michele Ande, Charlotte Dobkowski, Joan D., Helena Stawrowski, Baby Audrey, Dorothy Braun, Celina Oleksiej, Anne Dornford, Dorothy Harper  
*May our Merciful Lord grant them healing.*

On this Veteran's Day,  
remember to..

**A Steward Saint for the month of November:  
Saint Elizabeth of Hungary**

Elizabeth, although born into nobility, chose to *serve* rather than to *be served*. As the wife of a prince, she understood that her role was to serve those who lived in poverty. Even when she became queen, she didn't cling to the wealth that her elevated status afforded; rather, she gave freely to the poor. As a veritable faithful steward, Elizabeth realized that her real life's treasure was the love of the Lord. Inspired by this generous saint, may we open our hearts to serve the needy.
