Pope Francis's prayer intention for the month of July: **For a Eucharistic life**~ We pray that Catholics may place the celebration of the Eucharist at the heart of their lives, transforming human relationships in a very deep way and opening to the encounter with God and all their brothers and sisters.

Dear Lord, as your present-day disciples, we ask for the courage, patience, and grace to carry our crosses. Relying on Your comfort and guidance, we ask for the strength to suppress our words of frustration and supplant them with prayers of supplication. May we be voices of encouragement to those who are weighed down by crosses that are too heavy for them to bear alone. Grant us the wisdom to nurture Your Spirit within us so that we are worthy to be called your disciples. *Through our Lord, Jesus Christ, Your Son, Who lives and reigns with You in the unity of the Holy Spirit, one God, forever and ever.*

"Come to me, all you who are weary and burdened, and I will give you rest."
Matthew 11:28

Reflection: How do we deal with burdens that make us weary? How do we handle worries that weigh us down? Do we lighten our burdens by turning them over to Jesus, who promises to give us rest?

It seems that summer is the one season that affords us more leisure time. Most of us spend more days outdoors, where we are closer to nature. Whether we are

beachside, lakeside, or even poolside, our senses are keenly aware of the sun's warmth, the water's coolness, and the fleeting breezes that give a momentary surcease from the searing heat.

Being outdoors is a welcome withdrawal from many of the chores that take up hours of our daily routine. When we relax, we are able to free our minds of the mundane and indulge in the worthwhile mental activity of *reflection*. Rather than dwelling on the hurts, worries, and problems that erode our peace, we can choose to focus on the blessings of nature that often go unnoticed. The natural world offers a treasure trove of images that can capture our attention and spark our sense of wonder. Listen to the power of the crashing waves, a sound that makes us feel both awestruck and vulnerable. Look at the frothy waves that seem to cleanse and refresh everything and everyone they touch. Moving inland, you might choose the quietude of a park or sprawling garden, where we are comforted by the shade of towering treetops or treated to a splendid display of colorful flowers. We are surrounded by God's bounty of gifts.

An appreciation of natural beauty often prompts feelings of peace and gratitude. The addition of quietude can result in reflection, which in turn can lead to prayer. We recognize the grand gifts that we have received from God our Creator and take time to thank Him. If we allow ourselves to step away from the noises that disturb us and ignore the nagging thoughts that perturb us, we will seek the quiet in which we will welcome...

CATHOLIC MINISTRIES APPEAL

Did you know? Long Island has one of the largest populations of veterans in America. Sadly, some of these veterans are suffering from mental issues or physical disabilities. Catholic Charities' **Project Veterans' Independence** works to support these veterans with finding housing and employment. Your donations to the **Catholic Ministries Appeal** help sustain the Project Veterans Independence efforts.
