## PRAYER of the WEEK

Heavenly Father, we Your children desire to be good disciples as we carry the light of Your love to all we encounter. Bless our efforts as we aim to "do Your will." We praise You and thank You ceaselessly for the gift of Your Son, Who takes away our sins and renews our souls. *Through our Lord, Jesus Christ, Your Son, Who lives and reigns with You in the unity of the Holy Spirit, one God forever and ever. Amen.*

"I have come  
to do your will,  
my God."

Hebrews 10:7, NIV

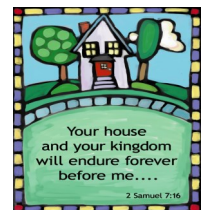

**Do I stand ready to  
offer myself and share  
my gifts through  
service to others, and  
in so doing, to God?**

Remember to pray for the  
legal protection of all unborn  
children. They deserve to  
enjoy the gift of life!

Father Mariusz is still blessing  
homes. If you would like to have  
your home blessed, please call the  
rectory during open office hours.

**Monday,  
January 20**

REMINDER: Next Sunday, January 26, the Polish choir ARIA will sing during the 9:30 AM Polish Mass.

This Wednesday, January 22, has been the day designated by the Catholic Church in the United States as the "Day of Prayer for the Legal Protection of Unborn Children." We are reminded to reflect on the precious gift of life and to pray for the legal protection of human life. We are also called to do penance for the violations against human life committed through abortion. The US Conference of Catholic Bishops has introduced a national novena entitled "9 Days for Life." This novena begins on January 21 and runs through January 29. We are invited to join Catholics nationwide on each of these nine days and recite a daily reflection. In order to receive the daily reflections and other suggestions for ways to pray for the respect and protection of human life, you can visit [9daysforlife.com](http://9daysforlife.com)

As you know, last week we celebrated the Baptism of the Lord. In his homily, Father Mariusz reminded us of the prodigious importance of the beautiful sacrament of Baptism. How true! When we think of the most important day in one's life, the mind seems to automatically recall a wedding day, graduation day, the day one welcomed a first child into the world. Of course, each of these is important in its own right but doesn't outshine the day on which we became a member of the Catholic Church. We will forever retain this membership throughout our lives. Being Catholic holds a predominant place in our identity and helps to define who we are and guides us to what we should be. Father Mariusz also prompted us to find out the exact date of our Baptism. Each of us knows the date of our birthday and usually commemorates it in some special way. Why not do the same for the day of our Baptism? Maybe you will attend Mass on that day, perhaps in the actual church of your Baptism. If possible, express thanks to your parents for passing on their precious faith and to your godparents, who helped to nurture your faith. Don't forget to give thanks to God, who welcomed you to a life of grace and gave you the gifts of the Holy Spirit.

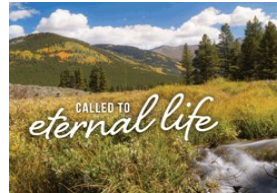

Our personal yearly calendars have so many days earmarked as being special to us in some way. Why not add another entry, one that deserves to be written in bold letters. ON THIS DAY, I BECAME A CATHOLIC.

*We pray for the following:*

Mary Abruzzo, Margaret Puorro, Anthony Andree, Michele Ande, Charlotte Dobkowski, Joan D., Helena Stawrowski, Baby Audrey, Celina Oleksiej, Anne Dornford, Dorothy Harper

*May our Merciful Lord grant them healing.*

Please pray for the repose of the soul of Stanislaw Wezik. May she rest in peace.

**The Sign of Peace during the Flu Season**

Yes, it is winter, and we are in the middle of the flu season. No one wants to get the flu! Over the years, many Catholics have grown accustomed to offering a handshake as the appropriate Sign of Peace after praying the Our Father. Certainly, we don't wish to be rude when someone in or around our pew extends a hand as a gesture of peace and goodwill. That being said, we understand that others may be uncomfortable at the thought of spreading or catching germs that, let's face it, do exist on each one of us. When in doubt, a smile always works, especially when accompanied by a slight nod and the beautiful words, "Peace be with you." No one will be offended if you respond in this or in a similar manner.
